Declaration of
Restrictions
BLOOMFIELD HEIGHTS NO. 2
Bloomfield Township, Oakland County, Mich.

Franklin Lone Pine Road Company, a Limited Partnership being the owner of Lots 58, 59, 60, 61 and 62 of Bloomfield Heights No. 2, a subdivision of part of the Northwest 1/4 of Section 20, Town 2 North, Range 10 East, Bloomfield Township, Oakland County, Michigan, according to the plat thereof as recorded in Liber 69 of Plats, at Page 17, Oakland County Records, hereby imposes upon said subdivision the following restrictive covenants; which restrictive covenants shall run with the land and shall be binding on all parties and all persons claiming under them until January 1, 1990, at which time said covenants shall be automatically extended for successive periods of 10 years unless by vote of a majority of the then owners of the lots it is agreed to change said covenants in whole or in part:

1. If the maker hereof, or its successors and assigns, or any successor or successors in the chain of title shall violate or attempt to violate any of the covenants herein it shall be lawful for any other person or persons owning any real property situated in said development or subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation.
2. Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions, which shall remain in full force and effect.
3. Each lot shall be known, described and used as one residential lot. No structure shall be erected or placed on such residential lot other than one detached single family dwelling not to exceed two stories in height and a garage for not more than four cars, with living quarters above.
4. Any two-story residential dwelling constructed in this subdivision shall have a ground floor minimum square foot area of not less than 1,000 square feet, exclusive of garage and open porches, and shall also have a cubic content of not less than 20,000 cubic feet. In the case of a one-story or story and a half ranch type construction it shall have a ground floor minimum square foot area of not less than 1,650 square feet, exclusive of garage and open porches, and shall contain not less than 20,000 cubic feet.
5. Residence shall include all bays, vestibules, or any other room permanently enclosed, but does not include open porches or terraces.
6. The exterior construction of residence buildings must be of new materials; provided, however, that select reclaimed brick may be used. The outside of residence buildings must be of brick, stone or finished painted wood. No yellow brick shall be permitted. Cinder or concrete construction is allowed for basements or foundation to the grade line only; the grade line of all buildings constructed on any lot shall conform to the Zoning Ordinances of Bloomfield Township, Oakland County, Michigan, as now in effect or as hereafter in force. The height from the point of finish grade of the finished first floor shall be sufficient to insure a dry floor regardless of weather or drainage conditions. All chimneys shall be of stone, brick or concrete.
7. All exterior masonry foundation walls of cement block, cinder block or concrete shall be painted with two coats of Peerless cement paint or its equivalent. The color thereof shall be limited to white, ivory, gray, cream or stone. Preparation of surface, mixing and application of paint shall be strictly in accordance with the manufacturer's recommendations.

8. All garages shall not be more than two stories in height, the outside of which shall be of the same materials as specified in Paragraph 6 hereof. Foundations shall be of masonry rat wall construction. Garages shall be annexed to or attached to the residence or shall be at least 100 feet from the front lot line.
9. The front building line of all lots shall not be less than forty (40) feet from the front lot line. All side and rear building lines shall conform to the Zoning Ordinances of the Township of Bloomfield, Oakland County, Michigan, as now in effect or as hereafter amended.
10. No flat roofs will be allowed except when approved by Houseman-Spitzley Corporation or by an architect appointed by them. The maximum pitch of the roof shall not exceed 1/2 pitch. All roofs shall be of asphalt shingle weighing not less than 210 lbs. per square, or of wood, tile or slate construction. Rolled roofing or diamond shaped roofing will not be permitted.
11. No structure shall be moved on to any lot at any time.
12. Any fence on any residential lot shall not be higher than four feet, and shall be of wire, painted wood or colonial type construction and shall not extend beyond the front lot residential line. No barbed wire fencing will be permitted.
13. No hoof animals, such as horses, pigs or goats, shall be permitted in any lot in this subdivision. No chickens, rabbits or pigeons will be allowed in this subdivision.
14. All sewage shall be put through an approved septic tank, and any sewage disposal systems on said premises shall be in accordance with the statutes of Michigan and the rules and regulations of the Township of Bloomfield and State Public Health Department as now in effect or as hereafter amended.
15. Garbage or rubbish shall be placed in separate sanitary cans or enclosed in approved concrete receptacles, with the method of collection and disposing of same to be determined by the majority of lot owners. Each owner agrees to and shall keep the weeds cut on his lot or lots and cause the same to be kept in a neat appearance at all times.
16. All buildings constructed on said premises and the use and occupancy of same shall be subject to the terms and provisions of the Zoning Ordinances of the Township of Bloomfield or any municipality applicable thereto, as now in effect or as hereafter amended.
17. All plans and specifications for any residence or garage, its location on the lot and its grade must be approved before construction is started, in writing, by a duly authorized officer of the Houseman-Spitzley Corporation or such other person or corporation as it may designate.
18. No lot shall be used to provide or permit access to Soden Lake by any person or persons other than (1) the owner or owners of the lots in the same subdivision, (2) the immediate family of said owner or owners and (3) the domestic servants and the invited guests of said owner or owners of their immediate family.
19. An easement has been reserved for public utilities as shown on the plat recorded in Liber 69 of Plats, at Page 17, Oakland County Records. The Michigan Bell Telephone Company and the Detroit Edison Company are hereby given the right to cut and trim from time to time any and all trees and brush along said lines which may interfere therewith.

IN WITNESS WHEREOF, Franklin Lone Pine Road Company has caused these presents to be executed and delivered by its
